HOW TO HANDLE THIS PIECE OF PAPER:
cut on the marked line, fold how
the arrow shows you and stick
or staple it. Voilà, you made a
pocket-poster, now you can put the
flyers into it.

L'Ecotopia Biketour és una comunitat internacional autogestionada que organitza cada any una ruta en bicicleta per diferents regions d'Europa des del 1990. Durant la ruta, visitem projectes socials i medioambientals, alhora que practiquem formes d'activisme i vida sostenible. Tenim una dieta vegana, prenem les decisions per consens i potenciem el compartir les nostres habilitats. Aquest és un dels valors clau per crear un entorn no-discriminatori. L'Ecotopia Biketour és per totes les persones interessades en viatjar amb bicicleta, la vida comunitària, autogestió, mediambiental i en aprendre a través de la pròpia experiència.
